'Postscript'

Thank you for taking your time to read this book.
I wanted to create a manga that's similar to that of a fairy tale,
and with that in mind, I made this manga.
From now and onwards, there are still a lot of ideas I have that I
want to create into a manga, so it'll be a pleasure if you would
continue reading and supportingmy works.
Thank you so much for your support.

Special Thanks

Sakuyitsu Mudori
